# Our Ethos

---

The Elite Clinic is one of the most popular clinics in the Solihull area. Founded by two nurses, Becky and Manda Ketch, who are not only business partners but sisters too. We founded our business with one goal in mind - to create the best, most natural looking enhancements, making our clients feel the very best version of themselves.

Nothing makes us happier than, seeing others happy and beaming with confidence. Our Skin Care Clinic offers a luxury, clinical and private setting for all your needs. Located within a period property in the quaint village of Knowle, Solihull.

All our treatments and products are medically approved, and we strive to understand and exceed our patients' expectations. Ready to embark on a beautiful journey with us?

'be the best version of  
you'

# Treatments

---

We have a variety of treatments to achieve your goals, whether that is to look 'fresher', rewind time, improve your skin or simply feel your best.

All treatments are done to the highest of standards, using high quality products, results driven and to make you feel as comfortable as possible.

We have a range of treatments including:

- Anti-ageing treatments
- Aesthetic enhancements
- Medical skincare
- Semi-permanent makeup
- Skin treatments

Sometimes, it can be difficult to know exactly what treatment you would benefit from, in order to achieve your goals.

We would encourage you to book a consultation, where we can discuss your goals and put together a bespoke treatment plan for you.

## Anti-Ageing

---

We all see changes over time, whether that's a few lines that weren't there before or just feeling 'tired'.

We specialise in natural looking enhancements, where you can achieve your anti-ageing goals but still look like 'you'.

We believe when it comes to anti-ageing, there is no 'one size fits all', the ageing process is individual and there are lots of things to take into consideration. Such as skin laxity, volume, bone and muscular changes.

It's essential when working to a natural goal, we take all these factors into consideration. This creates the best, long lasting, natural looking results

Our designated nurse will discuss the best option for you, common areas we treat are:

- Smokers lines
- Fuller lips
- Under eye hollows
- Jowls
- Non-surgical Rhinoplasty
- Frown/Forehead Lines
- Crows feet
- Lines on the lips
- Skin tightening
- Skin brightening
- Age spots
- Lip volume
- Rejuvenate eyes
- Full facial rejuvenation
- Mid face changes
- Lowerface/Jawline changes

We have a variety of treatments available to meet your needs.

# Anti-Ageing Treatments

We have a variety of ways to treat your anti-ageing goals from:

- Skin boosters (redensity)
- Skin bio-remodellers (prophilo)
- Anti-wrinkle Injections (Botox)
- Injectable Hyaluronic acid fillers (Juvederm Vycross/RHA)
- Anti-ageing Facials (Alumier/Hydrafacials)

Find out more about each individual treatment on our website:

[www.theeliteclinic.com/treatments](http://www.theeliteclinic.com/treatments)

Not sure what you need? Book online for a personal consultation and treatment plan

# Skincare

---

For us skin is one of the most important foundations to any goal. Whether you have an anti-ageing goal, chronic medical skin condition or just want a general 'glow'. We have a solution for you.

We work closely with you to achieve your goals, and there is no better feeling than having the skin you have always dreamed of.

The skincare industry can be a minefield, therefore it's vital you have a consultation beforehand. Where we will put together a personal skin prescription, using medical grade 'Alumier' skin products. See instant improvements in your skin with the homecare, and accelerate those results with in clinic treatments.

Skin concerns we commonly treat in clinic:

- Acne
- Rosacea
- Hyperpigmentation
- Anti-Ageing
- Sensitised Skin
- Age Spots
- Psoriasis
- Skin tone improvement
- Pore control
- Breakout prone
- Age prevention
- General skin improvement

'Skin you dont need to cover up...'

# Skin Treatments

---

We have a variety of skin solutions, to help you to achieve your goals from:

Prescribed Medical grade Homecare  
Hydrafacials  
Alumier Facials  
Alumier Skin Peels  
Skin Boosters (injectable)

Not sure what you would benefit from? Book in for a consultation with one of our designated skin specialists to put you together a treatment plan and skin prescription.

## Semi-permanent makeup

---

Want to wake up makeup free? Whether that's from fuller eyebrows with beautiful natural strokes, a smudge free lipstick or tear proof eyeliner. We have plenty of options when it comes to makeup. As we believe the best thing is to be able to save time in the morning and 'get up and glow'

Our specialist nurse and semi permanent makeup artist Becky, will discuss your treatment goals. She will look at the colours of makeup you normally wear, discuss the natural tones that will suit your complexion and even mix up a colour match to your favourite lipstick.

# Semi-permanent makeup

---

Semi permanent makeup can be used to treat a range of concerns such as:

Brows:

Sparse eye brow hair

Loss of hair (from medical treatment/hormonal)

Uneven Brows

Time saving of not having to draw on

Lips:

Lips appear fuller

Smudge free

Balance natural cool tones

Define lip shape

Colour match favourite lips stick

EyeLiner/Lash enhancement:

Eye lashes appear thicker

Defined lash line

Save time not having to do eye makeup

## SPMU treatments

---

We have a range of treatments to achieve your goals, all colours are mixed bespoke for you, and goals will be discussed in full detail as part of your consultation.

Treatments are:

Microblading Eyebrows (hair-like strokes)

Powder Brows (Powder like)

Combo Brows (mix of microblading and powder)

Eye liner (top/ bottom/both)

Lash line enhancement

Lip Blush

Not sure what you would benefit from? Book in for a consultation with our designated SPMU artist Becky.

# Thank You

---

We look forward to helping  
you, achieve your goals
